The background features several large, overlapping green shapes in various shades, from a vibrant emerald green to a soft, pale mint green. There are also several yellow decorative elements: three parallel, slightly curved lines in the top left; a thin, wavy line curving across the bottom left; and two horizontal, wavy lines in the bottom right.

**Character is not  
something we're born with or  
stumble upon. Our character  
is shaped through the  
choices we make and the  
values we uphold, even in the  
face of challenges.**
